

1 Parts Identification

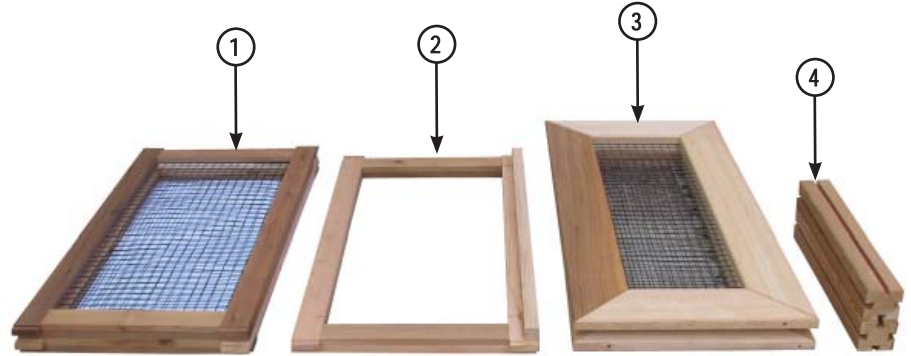

CCPCR 45-45

NOTE: Chicken coop run kits can be added to the left, right or back side of the chicken coop. Multiple run kits can be installed to the chicken coop or installed to existing run kits to increase coop size.

Remove contents from Box.
Stack matching pieces in piles. Using the parts list, locate and count the individual pieces and verify that you have received the correct number of pieces.

If any pieces are missing or replacement parts are required, contact Gronomics at 1-855-299-6727.

NOTE: It is recommended to place a protective layer between the ground and the pieces during assembly. This will help prevent damage to the pieces.

Parts List

ITEM	QTY.	PART #	DESCRIPTION
1	2	SP4021	Screen Panel, 40" x 21-1/2"

2 Chicken Run Kit Assembly

NOTE: The run kit blank panel (Item 2) will be installed in place of a pet cottage screen panel on the desired side of chicken coop.

Align and install the blank panel (Item 2) between the posts with the cleat located at the top and facing you. Slide the blank panel down to the ground.

4 Chicken Run Kit Assembly Continued

Install the two extension roof panels (Item 3) on top of the screen panels.

Re-install the chicken coop folding lid.

3 Chicken Run Kit Assembly Continued

Install the two screen panels (Item 1) (with screw heads facing in) into the slots on the chicken coop posts and slide down.

Place the screen side between the screen panels (Item 1) (with screw heads facing in).

Align the screen tabs with the slots on the 21-3/4" posts (Item 4) and slide the post down onto the screen panels.
